

REMARKS

Claims 1, 4-7, 9-16, 18, 20-23 and 27-75 remain in this application.

The claims have been amended as suggested by the Examiner to overcome all rejections under 35 USC 112, 1<sup>st</sup> and 2<sup>nd</sup> paragraphs. As indicated by the Examiner, claims would be allowable if amended to overcome rejections under 35 USC 112.

The refrigerated storage temperature of 0°C to 10 °C and ambient temperature of 15°C to 25 °C has been added to independent claims 1, 20 and 66. The temperature has support at page 5, line 10-12 of the specification.

Dependent claims 11, 29, 30, 44, 54, 58 and 73 have been amended to delete reference to "natural, hydrogenated, fractionated and modified" prior to the oils specified in the claims. Applicants note that at page 11, lines 8-10, the specification states that natural or hydrogenated and/or fractionated vegetable oils may be used as low melting triglycerides. The amendment to the claims as suggested by the Examiner, is intended to be generic to all of the latter oils.

The Commissioner is hereby authorized to charge any additional fees which may be required in this application to Deposit Account No. 06-1135.

The Examiner is respectfully requested to telephone the undersigned Attorney with any questions or suggestions.

Respectfully submitted,  
Fitch, Even, Tabin & Flannery
